BY COMING TO UNIVERSITÉ SAVOIE MONT BLANC, YOU ARE CHOOSING THE RIGHT PLACE TO GET AHEAD OF THE COMPETITION

“ Club des
Entreprises of
Université Savoie
Mont Blanc ”

is a model of business-university partnership unique in France. This independent non-profit organisation initiates and cultivates high added value links between higher education and business actors by encouraging the personal involvement of executives and managers on the one hand, and of teachers-researchers and students on the other hand. More than 1'000 private companies are part of this network.

• Université Savoie Mont Blanc is part of the Rhône-Alpes region which is the second most economically active in France and **one of the most competitive in Europe**. In the heart of the hi-tech Rhône River Valley, which extends from Valence to Geneva, it is renowned for **innovation and academic excellence**. The university has unquestionably earned an international reputation thanks to the sectors of research concerned with the environment – particularly around the themes of:

- Fundamental Science, Earth sciences and Environment;
- Behavioural Sciences, Images, Cultures, Societies;
- Technologies: Mechatronics, Energy conservation-Civil Engineering, Digital technologies;
- Business, Corporate Governance, Responsibility;
- Mountain studies, Tourism, Sport, Health.

• Université Savoie Mont Blanc takes advantage of **its geographical location** to forge close university cooperation with our Swiss and Italian neighbours. International organisations in Geneva are only a short trip away!

→ If you decide to come to Université Savoie Mont Blanc, you'll receive **a first-class education with a focus on practical skills and professional relevance**, giving you excellent prospects for employment and career development.
