**MOBILITY DAYS**  
*for USMB regular students*

**PARTNER DAYS**  
*for USMB partner universities*

# INTERNATIONAL WEEK

[14-19 October 2019]

## WHAT IS IT?

A **staff week** to get to know Université Savoie Mont Blanc (USMB) and share good practices about the **INTERNATIONALISATION OF HIGHER EDUCATION**.

## WHO CAN TAKE PART?

All staff members of **partner universities** and of universities seeking to develop partnerships with USMB.

## WHERE?

On the 3 campuses of Université Savoie Mont Blanc, in **Chambéry** and **Annecy**. Several excursions and activities around Chambéry and Annecy will also be organised.

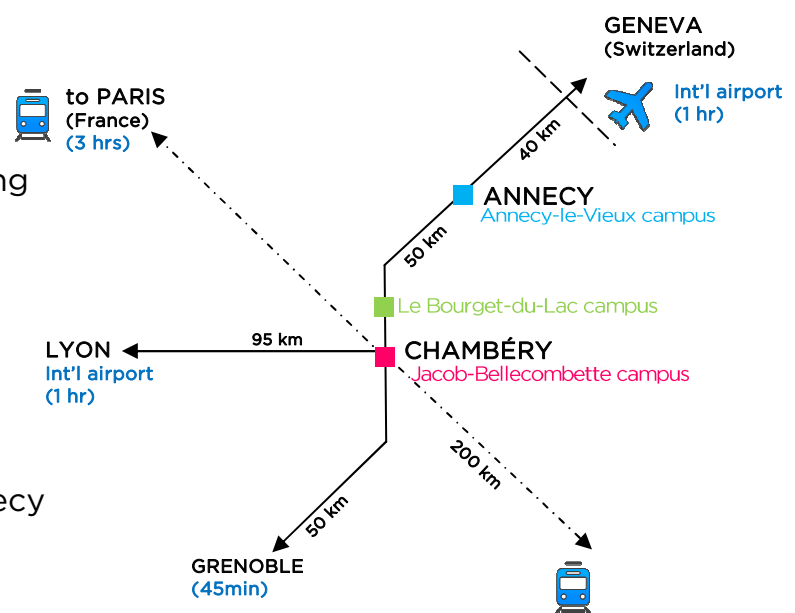

## WHEN?

For international university staff members, the programme will start on **October 16th** and end on the **19th**.

## ACTIVITIES

- **INTERNATIONAL MOBILITY FAIR:** meet USMB students who plan to study in a partner university for a semester or a full-year;
- **VISIT OF USMB CAMPUSES:** discover the 3 campuses of USMB, its faculties and research labs;
- **NETWORKING:** meet USMB staff and also foreign partners of USMB who could become your partners as well;
- **SESSIONS:** share good practices on the internationalisation of higher education (how to attract good students, set up dual diplomas, and develop networks...);
- **INTERNATIONAL EVENING:** join our incoming students and celebrate internationalisation in Chambéry. After an official welcome from the Mayor of Chambéry, enjoy a traditional meal, music and dancing!
- **EXCURSION** to the mountains and to the lake: enjoy one of the most beautiful parts of France;

## MOBILITY FAIR, VISIT OF USMB CAMPUSES & NETWORKING SESSIONS

[for partner universities & USMB staff members]

Aimed at reinforcing links between our university and its international partners, those « **partner days** » will gather the administrative as well as technical, teaching & research staff members in order to get to know each other and exchange best practices.

Around **80 representatives of partner universities** will be able to visit Université Savoie Mont Blanc, meet its staff and students, promote their university, and develop their networks. After an international mobility fair on Wednesday afternoon, partners will have the opportunity to attend several workshops and share their expertise about **INTERNATIONALISATION OF UNIVERSITIES** in terms of education, research, cooperation strategy, communication, etc.
