

TOUR DU MONT-BLANC ERASMUS+ STUDENT TRAIL

What is it? DEFINITION OF TERMS

The 1st "Tour du Mont-Blanc Erasmus+ student trail" is an initiative that aims at promoting both physical activity & international mobility, and developing young people's sense of belonging to Europe.

In line with the construction of European Universities, Université Savoie Mont Blanc wants to gather students from 10 different European countries who will take part in a trail around the famous Mont-Blanc which crosses 3 countries.

Working in multicultural teams, students will be challenged physically as well as intellectually, setting up projects on their dream European University of the future. There will be prizes to be won!

"SOFT TRAIL"

a 5-day-trail around Mont-Blanc to develop solidarity among European students through sports activities

BRAINSTORMING

a student-centered challenge to create a vision of tomorrow's university in Europe

THE USMB PROJECT TEAM

SPORTS TEACHERS

- Physical preparation of the participants
- Testing and adjustment of the itinerary
- Supervision of sports activities during the trail

MOUNTAIN GUIDE

• Responsibility of the group during the trail

INTERNATIONAL RELATIONS

- Administrative management of the project
- Relations with external partners
- Logistics

FINANCE

• Purchase of participants air tickets and other expenditure

COMMUNICATION

- External communication
- Coaching of participating students on video aspects

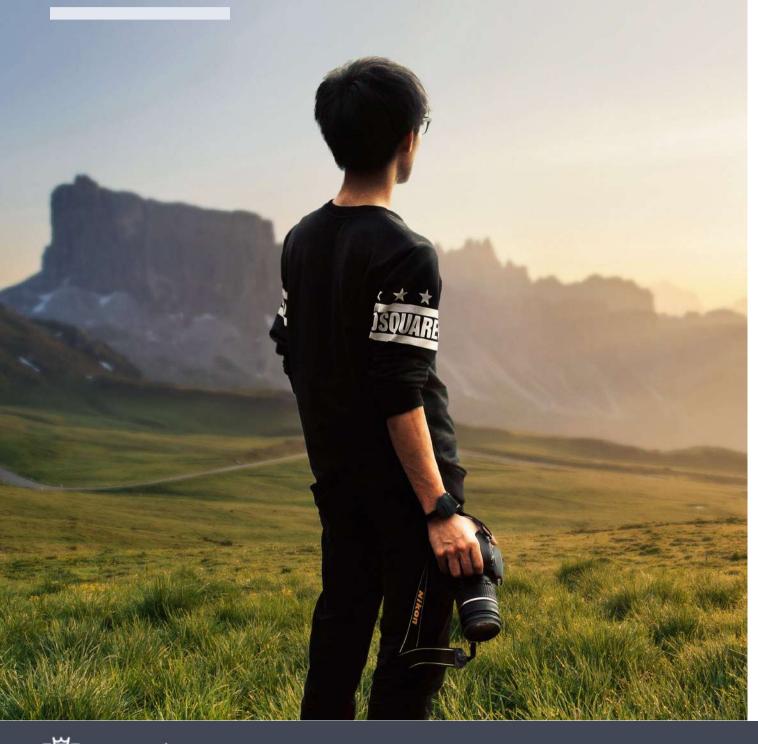

SPORTS STUDENTS

• Accompaniment and supervision of teams during the trail

PARTICIPATING STUDENTS

FIELD/LEVEL OF STUDY

We invite students from all fields of study from the second year of their Bachelor degree onwards, until the final year of their Master's degree.

PHYSICAL CONDITION

Students must be in good physical condition but do not necessarily need to be high-level athletes. Good physical preparation will be needed (a medical certificate is mandatory).

SPECIFIC SKILLS

Preference will be given to students who show an interest in European issues, but who do not necessarily have international experience.

OTHER

Participating universities are encouraged to select an equal number of male and female students.

SELECTION OF PARTICIPATING STUDENTS

NOVEMBER 2020 Launch of a CALL FOR APPLICATIONS among all students of the 10 partner universities

- Short questionnaire stating student's ID, field and level of study, international experience...
- Recommendation letter from a referent lecturer in the student's home university
- One-minute-video showing the student's motivations to take part in the event

[Deadline : January 15th, 2021]

OVERVIEW OF ACTIVITIES

PREPARATION

Dates: November 2020 - June 2021

Venue: Chambéry

Target group: USMB project team

CHAMBERY PROJECT LEADERS MEETING

Dates: January 2021 Venue: Chambéry

Target group: USMB project team & project leaders in

partner univ.

PHYSICAL TRAINING & COACHING OF PARTICIPANTS

Dates: March - June2021

Venue: Chambéry & partner universities

Target group: Project leaders & students in partner univ.

- Organise the 2-days project leaders meeting in Chambéry (January 2021);
- Test the trail and, if necessary, adjust the itinerary to make it more efficient for the event (April-May 2021);
- Organise the main event ("Tour du Mont-Blanc Erasmus+ Student trail") in terms of logistic, financial & administrative management, contact and coordination with external partners, communication;
- Gather all project leaders in Chambéry to work together on the preparation of the main event: selection of participating students, composition of teams, description of the sports & video challenge, evaluation grid for the challenges, communication plan in France as well as in other countries, repartition of tasks during the trail;
- Set up of a physical training programme for the participants either in video format which will then be broadcast online, or in another digital format to be identified;
- Composition of trail groups at the USMB and, if possible, in the other universities;

SATURDAY 12/06/2021

9:00am: Transfer to Geneva Airport to return home.

VIDEO CHALLENGE PROGRAMME

Gathered in teams throughout the week, students will be asked to make a **short video** in which they will express their answers to the following questions:

- What is the right place for sports activities in universities?
- How the practice of sport and university studies be reconciled?
- What innovative model could be imagined to link sport and studies?
- What skills and values are acquired through sport?
- How could these be valued in university curriculum?
- What have you learned from this challenge?

These questions will be refined during the preparation phase of the project in consultation with the project leaders from each partner university.

FINANCING THE INITIATIVE

150,000€ to cover the preparation, organisation and dissemination of the project
Minimum co-financing : 20 % of the eligible costs
Minimum 10 partners from Erasmus+ Programme countries

Project to take place between November 1st, 2020 and October 31st, 2021

Expected date of the Tour du Mont-Blanc Erasmus+ students trail: June 2021
