Synchronous online activity, 2 hours per week.

Vocabulary (2 hours): Students will engage in interactive digital activities to learn basic Romanian vocabulary. This includes online flashcards for greetings, numbers, colours, and family members. Picture-word matching games will reinforce visual associations, while interactive word games will make learning fun and memorable.

Grammar Structures (2 hours): The session focuses on fundamental Romanian grammar. Students will practice present tense conjugations of common verbs through interactive online exercises. Digital fill-in-the-blank activities will help reinforce verb forms and basic sentence structure. Simple sentence construction tasks will allow students to apply their learning in context.

Introduction to Romanian Culture (2 hours): This session offers a glimpse into Romanian culture using beginner-level language. Students will learn basic Romanian customs and greetings through interactive presentations. A virtual tour of major Romanian cities, narrated in simple Romanian, will introduce learners to key locations while reinforcing vocabulary and listening skills.
